

# Personal Planets Monthly Planner

## February 2025

The sun brings energy + shines light. What area (houses) of your chart will be focused on with potential to grow this month?

**The Sun:**

starts @ 13 degrees Aquarius  
changes to Pisces 2/19  
ends @ 10 degrees Pisces

Mercury shows what you will be thinking + communicating about.  
What areas of life will be on your mind?

**Mercury:**

starts @ 7 degrees Aquarius  
and ends 25 degrees Pisces

Venus brings focus on desire + presence to the area it affects.  
What areas will we experience this ease-filled energy?

**Venus:**

starts @ 28 degrees Pisces  
ends @ 10 degrees Aries

Mars brings drive + passion. Where you have mars transiting will see action, for better or worse, depending on how you choose.  
RX brings more of reflection on action then actual movement.  
Where are you taking a pause?

**Mars:**

starts @ 20 degrees Cancer  
goes direct 2/23  
ends @ 17 degrees Cancer
