

# Personal Planets Monthly Planner

## March 2025

The sun brings energy + shines light. What area (houses) of your chart will be focused on with potential to grow this month?

**The Sun:**

starts @ 11 degrees Pisces  
changes to Aries 3/20  
ends @ 10 degrees Aries

Mercury shows what you will be thinking + communicating about. What areas of life will be on your mind? Rx brings miscommunication + inability to focus. How can you refocus?

**Mercury:**

starts @ 27 degrees Pisces,  
then stations rx on 3/14  
and ends 29 degrees Pisces

Venus brings focus on desire + presence to the area it affects. What areas will we experience this ease-filled energy? When Venus goes Rx you will rethink your relationship to money, love and beauty.

**Venus:**

starts @ 10 degrees Aries Rx  
ends @ 28 degrees Pisces

Mars brings drive + passion. Where you have mars transiting will see action, for better or worse, depending on how you choose.

**Mars:**

starts @ 17 degrees Cancer  
ends @ 23 degrees Cancer
